Grow Your Network and Open New Doors

LinkedIn is more than a profile — it helps you connect with professionals, recruiters, and alumni.
A strong profile opens doors and strengthens your job search.

Start here:

Set up your LinkedIn profile with step-by-step tips for getting noticed by recruiters and professionals.

Create your Handshake profile to get job and internship leads tailored to you.

Want feedback?
Ask a Career Director to review your profiles.

Make Connections That Matter

Building your network opens doors to internships, jobs, and mentorship. The more connections you have, the more chances you'll have to learn, grow, and get hired.

Connect on LinkedIn
- Follow recruiters, classmates, and alumni
- Send a short message when you connect
- Engage with posts or share something relevant to your field

Join Events & Info Sessions
- Talk to recruiters at career fairs and company events
- Ask questions and follow up afterward
- Take notes and reach out on LinkedIn within 24-48 hours

Not Sure how to Reach out?

Interview with Confidence

Build confidence and sharpen your interview skills with AI tools and real-world practice.

Interviews can be nerve-wracking, but practicing your answers helps you feel more prepared and confident. Whether it's your first internship interview or a full-time job, we'll help you get ready.

Pro Tips for Interview Success
- ✅ Review the job description ahead of time
- ✅ Use the STAR method to structure your answers
- ✅ Practice out loud—even to a mirror or friend
- ✅ End with thoughtful questions for the interviewer

Practice using AI

Genneiva
Genneiva helps you practice technical and behavioral interview questions with instant feedback. Improve your tone, content, and delivery to feel polished and ready for the real thing.

Rosie
Rosie lets you practice with IS-specific interview questions at your own pace. Get helpful feedback to improve and build confidence—and try the voice feature to simulate a real interview experience.

Report Your Offer

Congratulations!

You just received an offer for an internship or full-time position. Now what?
Whether you accept the offer or not, you need to report your offer! Be prepared to provide the following information.

- Organization Name
- Job Title
- Offer Date
- Offer Source
- Industry
- Salary
- Location
- Accepted (Y/N)
- Accepted Date
- Remote (Y/N)

The data you provide helps the Marriott School of Business place future Information Systems students and graduates. Don't worry, we will not share any sensitive information.

Report Here!
